1) It is reported that the Methodist Mission Industrial School Tumkur is in receipt of a grant-in aid of Rs 165 per month in addition to a Scholarship of Rs 36/- for twelve students at the rate of Rs 3/- per student In view of these facts, the School has perhaps to be considered as an educational institution

2) It is seen from the records that this institution has paid an octroi duty amounting to Rs 119-1-9 on the articles imported during the period from January 1942 to July 1942

3) The Tumkur Town Municipality might feel that Govt for the loss of income in case the request of the institution is sanctioned In view of this, the D C Tumkur has may be requested to ascertain the views of the said Municipality and submit a report to Govt with his opinion on the request in question

8) Having regard to the recommendation of the Director of Industries & Commerce that aided industrial institutions in the Tuticorin ~~District~~ Town may perhaps be shown the same concession, as has been done in the case of Govt. industrial schools vide the G.O. dated 2nd January last — the Municipal Council were not consulted on the previous occasion. In this case also, it is not necessary to consult the Tuticorin Municipal Council as the octroi duty paid during the period mentioned in para 6 (supra) of works out to Rs 4/13/- p.m. and the loss is not much for a big Town like Tuticorin.
